This is the Standard Terms of Pooling and Servicing Agreement, dated as of March 1, 2006 (the "Standard Terms", and as incorporated by reference into a Series Supplement dated as of the Cut-off Date, the "Pooling and Servicing Agreement" or "Agreement"), among RESIDENTIAL ACCREDIT LOANS, INC., as the company (together with its permitted successors and assigns, the "Company"), RESIDENTIAL FUNDING CORPORATION, as master servicer (together with its permitted successors and assigns, the "Master Servicer"), and the trustee named in the applicable Series Supplement (together with its permitted successors and assigns, the "Trustee").

PRELIMINARY STATEMENT:

The Company intends to sell certain mortgage asset-backed pass-through certificates (collectively, the "Certificates"), to be issued under the Agreement in multiple classes, which in the aggregate will evidence the entire beneficial ownership interest in the Mortgage Loans.

In consideration of the mutual agreements herein contained, the Company, the Master Servicer and the Trustee agree as follows:

ARTICLE I

DEFINITIONS

Section 1.01. Definitions.

Whenever used in this Agreement, the following words and phrases, unless the context otherwise requires, shall have the meanings specified in this Article.

Accretion Termination Date: As defined in the Series Supplement.

Accrual Certificates: As defined in the Series Supplement.

Accrued Certificate Interest: With respect to each Distribution Date, as to any Class or Subclass of Certificates (other than any Principal Only Certificates), interest accrued during the related Interest Accrual Period at the related Pass-Through Rate on the Certificate Principal Balance or Notional Amount thereof immediately prior to such Distribution Date. Accrued Certificate Interest will be calculated on the basis of a 360-day year, consisting of twelve 30-day months. In each case Accrued Certificate Interest on any Class or Subclass of Certificates will be reduced by the amount of:

- (i) Prepayment Interest Shortfalls on all Mortgage Loans or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group (to the extent not offset by the Master Servicer with a payment of Compensating Interest as provided in Section 4.01),
- (ii) the interest portion (adjusted to the Net Mortgage Rate (or the Modified Net Mortgage Rate in the case of a Modified Mortgage Loan)) of Realized Losses on all Mortgage Loans or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group (including Excess Special Hazard Losses, Excess Fraud Losses, Excess Bankruptcy Losses and Extraordinary Losses) not allocated solely to one or more specific Classes of Certificates pursuant to Section 4.05,
- (iii) the interest portion of Advances that were (A) previously made with respect to a Mortgage Loan or REO Property on all Mortgage Loans or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group, which remained unreimbursed following the Cash Liquidation or REO Disposition of such Mortgage Loan or REO Property and (B) made with respect to delinquencies that were ultimately determined to be Excess Special Hazard Losses, Excess Fraud Losses, Excess Bankruptcy Losses or Extraordinary Losses, and
- (iv) any other interest shortfalls not covered by the subordination provided by the Class M Certificates and Class B Certificates, including interest that is not collectible from the Mortgagor pursuant to the Servicemembers Civil Relief Act of 1940, as amended, or similar legislation or regulations as in effect from time to time,

with all such reductions allocated (A) among all of the Certificates in proportion to their respective amounts of Accrued Certificate Interest payable on such Distribution Date absent such reductions or (B) if the Mortgage Pool is comprised of two or more Loan Groups, the related Senior Percentage of such reductions among the related Senior Certificates in proportion to the amounts of Accrued Certificate Interest payable from the related Loan Group on such Distribution Date absent such reductions, with the remainder of such reductions allocated among the holders of the Class M Certificates and Class B Certificates in proportion to their respective amounts of Accrued Certificate Interest payable on such Distribution Date absent such reductions. In addition to that portion of the reductions described in the preceding sentence that are allocated to any Class of Class B Certificates or any Class of Class M Certificates, Accrued Certificate Interest on such Class of Class B Certificates or such Class of Class M Certificates will be reduced by the interest portion (adjusted to the Net Mortgage Rate) of Realized Losses that are allocated solely to such Class of Class B Certificates or such Class of Class M Certificates pursuant to Section 4.05.

Such amount shall be determined separately for each Loan Group. Additionally, with respect to any Mortgage Pool that is comprised of two or more Loan Groups, if on any Distribution Date Compensating Interest provided pursuant to this Section 3.16(e) is less than Prepayment Interest Shortfalls incurred on the Mortgage Loans in connection with Principal Prepayments in Full and Curtailments made in the prior calendar month, such Compensating Interest shall be allocated on such Distribution Date to the Available Distribution Amount for each Loan Group on a pro rata basis in accordance with the respective amounts of such Prepayment Interest Shortfalls incurred on the Mortgage Loans in such Loan Group in respect of such Distribution Date.

(x) A duly completed UCC-1 financing statement showing the Master Servicer as debtor, the Company as secured party and the Trustee as assignee and a duly completed UCC-1 financing statement showing the Company as debtor and the Trustee

as secured party, each in a form sufficient for filing, evidencing the interest of such debtors in the Cooperative Loans.

(c) The Company may, in lieu of delivering the original of the documents set forth in Section 2.01(b)(I)(ii), (iii), (iv) and (v) and Section (b)(II)(ii), (iv), (vii), (ix) and (x) (or copies thereof as permitted by Section 2.01(b)) to the Trustee or the Custodian or Custodians, deliver such documents to the Master Servicer, and the Master Servicer shall hold such documents in trust for the use and benefit of all present and future Certificateholders until such time as is set forth in the next sentence. Within thirty Business Days following the earlier of (i) the receipt of the original of all of the documents or instruments set forth in Section 2.01(b)(I)(ii), (iii), (iv) and (v) and Section (b)(II)(ii), (iv), (vii), (ix) and (x) (or copies thereof as permitted by such Section) for any Mortgage Loan and (ii) a written request by the Trustee to deliver those documents with respect to any or all of the Mortgage Loans then being held by the Master Servicer, the Master Servicer shall deliver a complete set of such documents to the Trustee or the Custodian or Custodians that are the duly appointed agent or agents of the Trustee.

The parties hereto agree that it is not intended that any Mortgage Loan be included in the Trust Fund that is either (i) a "High-Cost Home Loan" as defined in the New Jersey Home Ownership Act effective November 27, 2003, (ii) a "High-Cost Home Loan" as defined in the New Mexico Home Loan Protection Act effective January 1, 2004, (iii) a "High Cost Home Mortgage Loan" as defined in the Massachusetts Predatory Home Loan Practices Act effective November 7, 2004 or (iv) a "High-Cost Home Loan" as defined in the Indiana House Enrolled Act No. 1229, effective as of January 1, 2005.

(d) Notwithstanding the provisions of Section 2.01(c), in connection with any Mortgage Loan, if the Company cannot deliver the original of the Mortgage, any assignment, modification, assumption agreement or preferred loan agreement (or copy thereof as permitted by Section 2.01(b)) with evidence of recording thereon concurrently with the execution and delivery of this Agreement because of (i) a delay caused by the public recording office where such Mortgage, assignment, modification, assumption agreement or preferred loan agreement as the case may be, has been delivered for recordation, or (ii) a delay in the receipt of certain information necessary to prepare the related assignments, the Company shall deliver or cause to be delivered to the Trustee or the respective Custodian a copy of such Mortgage, assignment, modification, assumption agreement or preferred loan agreement.

The Company shall promptly cause to be recorded in the appropriate public office for real property records the Assignment referred to in clause (I)(iii) of Section 2.01(b), except (a) in states where, in the opinion of counsel acceptable to the Trustee and the Master Servicer, such recording is not required to protect the Trustee's interests in the Mortgage Loan against the claim of any subsequent transferee or any successor to or creditor of the Company or the originator of such Mortgage Loan or (b) if MERS is identified on the Mortgage or on a properly recorded assignment of the Mortgage as the mortgagee of record solely as nominee for the Seller and its successors and assigns, and shall promptly cause to be filed the Form UCC-3 assignment and UCC-1 financing statement referred to in clause (II)(vii) and (x), respectively, of Section 2.01(b). If any Assignment, Form UCC-3 or Form UCC-1, as applicable, is lost or returned unrecorded to the Company because of any defect therein, the Company shall prepare a substitute Assignment, Form UCC-3 or Form UCC-1, as applicable, or cure such defect, as the case may be, and cause

such Assignment to be recorded in accordance with this paragraph. The Company shall promptly deliver or cause to be delivered to the Trustee or the respective Custodian such Mortgage or Assignment or Form UCC-3 or Form UCC-1, as applicable, (or copy thereof as permitted by Section 2.01(b)) with evidence of recording indicated thereon at the time specified in Section 2.01(c). In connection with its servicing of Cooperative Loans, the Master Servicer will use its best efforts to file timely continuation statements with regard to each financing statement and assignment relating to Cooperative Loans as to which the related Cooperative Apartment is located outside of the State of New York.

If the Company delivers to the Trustee or Custodian any Mortgage Note or Assignment of Mortgage in blank, the Company shall, or shall cause the Custodian to, complete the endorsement of the Mortgage Note and the Assignment of Mortgage in the name of the Trustee in conjunction with the Interim Certification issued by the Custodian, as contemplated by Section 2.02.

Any of the items set forth in Sections 2.01(b)(I)(ii), (iii), (iv) and (v) and (II)(vi) and (vii) and that may be delivered as a copy rather than the original may be delivered to the Trustee or the Custodian.

In connection with the assignment of any Mortgage Loan registered on the MERS® System, the Company further agrees that it will cause, at the Company's own expense, within 30 Business Days after the Closing Date, the MERS® System to indicate that such Mortgage Loans have been assigned by the Company to the Trustee in accordance with this Agreement for the benefit of the Certificateholders by including (or deleting, in the case of Mortgage Loans which are repurchased in accordance with this Agreement) in such computer files (a) the code in the field which identifies the specific Trustee and (b) the code in the field "Pool Field" which identifies the series of the Certificates issued in connection with such Mortgage Loans. The Company further agrees that it will not, and will not permit the Master Servicer to, and the Master Servicer agrees that it will not, alter the codes referenced in this paragraph with respect to any Mortgage Loan during the term of this Agreement unless and until such Mortgage Loan is repurchased in accordance with the terms of this Agreement.

(e) Residential Funding hereby assigns to the Trustee its security interest in and to any Additional Collateral or Pledged Assets, its right to receive amounts due or to become due in respect of any Additional Collateral or Pledged Assets pursuant to the related Subservicing Agreement and its rights as beneficiary under the Surety Bond in respect of any Additional Collateral Loans. With respect to any Additional Collateral Loan or Pledged Asset Loan, Residential Funding shall cause to be filed in the appropriate recording office a UCC-3 statement giving notice of the assignment of the related security interest to the Trust Fund and shall thereafter cause the timely filing of all necessary continuation statements with regard to such financing statements.

(f) It is intended that the conveyance by the Company to the Trustee of the Mortgage Loans as provided for in this Section 2.01 be and the Uncertificated REMIC Regular Interests, if any (as provided for in Section 2.06), be construed as a sale by the Company to the Trustee of the Mortgage Loans and any Uncertificated REMIC Regular Interests for the benefit of the

Certificateholders. Further, it is not intended that such conveyance be deemed to be a pledge of the Mortgage Loans and any Uncertificated REMIC Regular Interests by the Company to the Trustee to secure a debt or other obligation of the Company. Nonetheless, (a) this Agreement is intended to be and hereby is a security agreement within the meaning of Articles 8 and 9 of the New York Uniform Commercial Code and the Uniform Commercial Code of any other applicable jurisdiction; (b) the conveyance provided for in Section 2.01 shall be deemed to be, and hereby is, (1) a grant by the Company to the Trustee of a security interest in all of the Company's right (including the power to convey title thereto), title and interest, whether now owned or hereafter acquired, in and to any and all general intangibles, payment intangibles, accounts, chattel paper, instruments, documents, money, deposit accounts, certificates of deposit, goods, letters of credit, advices of credit and investment property and other property of whatever kind or description now existing or hereafter acquired consisting of, arising from or relating to any of the following: (A) the Mortgage Loans, including (i) with respect to each Cooperative Loan, the related Mortgage Note, Security Agreement, Assignment of Proprietary Lease, Cooperative Stock Certificate and Cooperative Lease, (ii) with respect to each Mortgage Loan other than a Cooperative Loan, the related Mortgage Note and Mortgage, and (iii) any insurance policies and all other documents in the related Mortgage File, (B) all amounts payable pursuant to the Mortgage Loans in accordance with the terms thereof, (C) any Uncertificated REMIC Regular Interests and (D) all proceeds of the conversion, voluntary or involuntary, of the foregoing into cash, instruments, securities or other property, including without limitation all amounts from time to time held or invested in the Certificate Account or the Custodial Account, whether in the form of cash, instruments, securities or other property and (2) an assignment by the Company to the Trustee of any security interest in any and all of Residential Funding's right (including the power to convey title thereto), title and interest, whether now owned or hereafter acquired, in and to the property described in the foregoing clauses (1)(A), (B), (C) and (D) granted by Residential Funding to the Company pursuant to the Assignment Agreement; (c) the possession by the Trustee, the Custodian or any other agent of the Trustee of Mortgage Notes or such other items of property as constitute instruments, money, payment intangibles, negotiable documents, goods, deposit accounts, letters of credit, advices of credit, investment property, certificated securities or chattel paper shall be deemed to be "possession by the secured party," or possession by a purchaser or a person designated by such secured party, for purposes of perfecting the security interest pursuant to the Minnesota Uniform Commercial Code and the Uniform Commercial Code of any other applicable jurisdiction as in effect (including, without limitation, Sections 8-106, 9-313, 9-314 and 9-106 thereof); and (d) notifications to persons holding such property, and acknowledgments, receipts or confirmations from persons holding such property, shall be deemed notifications to, or acknowledgments, receipts or confirmations from, securities intermediaries, bailees or agents of, or persons holding for (as applicable) the Trustee for the purpose of perfecting such security interest under applicable law.

The Company and, at the Company's direction, Residential Funding and the Trustee shall, to the extent consistent with this Agreement, take such reasonable actions as may be necessary to ensure that, if this Agreement were determined to create a security interest in the Mortgage Loans, any Uncertificated REMIC Regular Interests and the other property described above, such security interest would be determined to be a perfected security interest of first priority under applicable law and will be maintained as such throughout the term of this Agreement. Without limiting the generality of the foregoing, the Company shall prepare and deliver to the Trustee not less than 15 days prior to any filing date and, the Trustee shall forward

for filing, or shall cause to be forwarded for filing, at the expense of the Company, all filings necessary to maintain the effectiveness of any original filings necessary under the Uniform Commercial Code as in effect in any jurisdiction to perfect the Trustee's security interest in or lien on the Mortgage Loans and any Uncertificated REMIC Regular Interests, as evidenced by an Officers' Certificate of the Company, including without limitation (x) continuation statements, and (y) such other statements as may be occasioned by (1) any change of name of Residential Funding, the Company or the Trustee (such preparation and filing shall be at the expense of the Trustee, if occasioned by a change in the Trustee's name), (2) any change of type or jurisdiction of organization of Residential Funding or the Company, (3) any transfer of any interest of Residential Funding or the Company in any Mortgage Loan or (4) any transfer of any interest of Residential Funding or the Company in any Uncertificated REMIC Regular Interest.

(g) The Master Servicer hereby acknowledges the receipt by it of the Initial Monthly Payment Fund. The Master Servicer shall hold such Initial Monthly Payment Fund in the Custodial Account and shall include such Initial Monthly Payment Fund in the Available Distribution Amount for the initial Distribution Date. Notwithstanding anything herein to the contrary, the Initial Monthly Payment Fund shall not be an asset of any REMIC. To the extent that the Initial Monthly Payment Fund constitutes a reserve fund for federal income tax purposes, (1) it shall be an outside reserve fund and not an asset of any REMIC, (2) it shall be owned by the Seller and (3) amounts transferred by any REMIC to the Initial Monthly Payment Fund shall be treated as transferred to the Seller or any successor, all within the meaning of Section 1.860G-2(h) of the Treasury Regulations.

(h) The Company agrees that the sale of each Pledged Asset Loan pursuant to this Agreement will also constitute the assignment, sale, setting-over, transfer and conveyance to the Trustee, without recourse (but subject to the Company's covenants, representations and warranties specifically provided herein), of all of the Company's obligations and all of the Company's right, title and interest in, to and under, whether now existing or hereafter acquired as owner of the Mortgage Loan with respect to any and all money, securities, security entitlements, accounts, general intangibles, payment intangibles, instruments, documents, deposit accounts, certificates of deposit, commodities contracts, and other investment property and other property of whatever kind or description consisting of, arising from or related to (i) the Assigned Contracts, (ii) all rights, powers and remedies of the Company as owner of such Mortgage Loan under or in connection with the Assigned Contracts, whether arising under the terms of such Assigned Contracts, by statute, at law or in equity, or otherwise arising out of any default by the Mortgagor under or in connection with the Assigned Contracts, including all rights to exercise any election or option or to make any decision or determination or to give or receive any notice, consent, approval or waiver thereunder, (iii) the Pledged Amounts and all money, securities, security entitlements, accounts, general intangibles, payment intangibles, instruments, documents, deposit accounts, certificates of deposit, commodities contracts, and other investment property and other property of whatever kind or description and all cash and non-cash proceeds of the sale, exchange, or redemption of, and all stock or conversion rights, rights to subscribe, liquidation dividends or preferences, stock dividends, rights to interest, dividends, earnings, income, rents, issues, profits, interest payments or other distributions of cash or other property that secures a Pledged Asset Loan, (iv) all documents, books and records concerning the foregoing (including all computer programs, tapes, disks and related items containing any such information) and (v) all insurance proceeds (including proceeds from the Federal Deposit

Insurance Corporation or the Securities Investor Protection Corporation or any other insurance company) of any of the foregoing or replacements thereof or substitutions therefor, proceeds of proceeds and the conversion, voluntary or involuntary, of any thereof. The foregoing transfer, sale, assignment and conveyance does not constitute and is not intended to result in the creation, or an assumption by the Trustee, of any obligation of the Company, or any other person in connection with the Pledged Assets or under any agreement or instrument relating thereto, including any obligation to the Mortgagor, other than as owner of the Mortgage Loan.

Section 2.02. Acceptance by Trustee.

The Trustee acknowledges receipt (or, with respect to Mortgage Loans subject to a Custodial Agreement, and based solely upon a receipt or certification executed by the Custodian, receipt by the respective Custodian as the duly appointed agent of the Trustee) of the documents referred to in Section 2.01(b)(i) above (except that for purposes of such acknowledgement only, a Mortgage Note may be endorsed in blank) and declares that it, or a Custodian as its agent, holds and will hold such documents and the other documents constituting a part of the Mortgage Files delivered to it, or a Custodian as its agent, and the rights of Residential Funding with respect to any Pledged Assets, Additional Collateral and the Surety Bond assigned to the Trustee pursuant to Section 2.01, in trust for the use and benefit of all present and future Certificateholders. The Trustee or Custodian (such Custodian being so obligated under a Custodial Agreement) agrees, for the benefit of Certificateholders, to review each Mortgage File delivered to it pursuant to Section 2.01(b) within 45 days after the Closing Date to ascertain that all required documents (specifically as set forth in Section 2.01(b)), have been executed and received, and that such documents relate to the Mortgage Loans identified on the Mortgage Loan Schedule, as supplemented, that have been conveyed to it, and to deliver to the Trustee a certificate (the "Interim Certification") to the effect that all documents required to be delivered pursuant to Section 2.01(b) above have been executed and received and that such documents relate to the Mortgage Loans identified on the Mortgage Loan Schedule, except for any exceptions listed on Schedule A attached to such Interim Certification. Upon delivery of the Mortgage Files by the Company or the Master Servicer, the Trustee shall acknowledge receipt (or, with respect to Mortgage Loans subject to a Custodial Agreement, and based solely upon a receipt or certification executed by the Custodian, receipt by the respective Custodian as the duly appointed agent of the Trustee) of the documents referred to in Section 2.01(c) above.

If the Custodian, as the Trustee's agent, finds any document or documents constituting a part of a Mortgage File to be missing or defective, the Trustee shall promptly so notify the Master Servicer and the Company. Pursuant to Section 2.3 of the Custodial Agreement, the Custodian will notify the Master Servicer, the Company and the Trustee of any such omission or defect found by it in respect of any Mortgage File held by it in respect of the items reviewed by it pursuant to the Custodial Agreement. If such omission or defect materially and adversely affects the interests of the Certificateholders, the Master Servicer shall promptly notify Residential Funding of such omission or defect and request Residential Funding to correct or cure such omission or defect within 60 days from the date the Master Servicer was notified of such omission or defect and, if Residential Funding does not correct or cure such omission or defect within such period, require Residential Funding to purchase such Mortgage Loan from the Trust Fund at its Purchase Price, within 90 days from the date the Master Servicer was notified of such omission or defect; provided that if the omission or defect would cause the Mortgage Loan to be

other than a "qualified mortgage" as defined in Section 860G(a)(3) of the Code, any such cure or repurchase must occur within 90 days from the date such breach was discovered. The Purchase Price for any such Mortgage Loan shall be deposited by the Master Servicer in the Custodial Account maintained by it pursuant to Section 3.07 and, upon receipt by the Trustee of written notification of such deposit signed by a Servicing Officer, the Trustee or any Custodian, as the case may be, shall release to Residential Funding the related Mortgage File and the Trustee shall execute and deliver such instruments of transfer or assignment prepared by the Master Servicer, in each case without recourse, as shall be necessary to vest in Residential Funding or its designee any Mortgage Loan released pursuant hereto and thereafter such Mortgage Loan shall not be part of the Trust Fund. It is understood and agreed that the obligation of Residential Funding to so cure or purchase any Mortgage Loan as to which a material and adverse defect in or omission of a constituent document exists shall constitute the sole remedy respecting such defect or omission available to Certificateholders or the Trustee on behalf of the Certificateholders.

Section 2.03. Representations, Warranties and Covenants
of the Master Servicer and the Company.

(a) The Master Servicer hereby represents and warrants to the Trustee for the benefit of the Certificateholders that:

(i) The Master Servicer is a corporation duly organized, validly existing and in good standing under the laws governing its creation and existence and is or will be in compliance with the laws of each state in which any Mortgaged Property is located to the extent necessary to ensure the enforceability of each Mortgage Loan in accordance with the terms of this Agreement;

(ii) The execution and delivery of this Agreement by the Master Servicer and its performance and compliance with the terms of this Agreement will not violate the Master Servicer's Certificate of Incorporation or Bylaws or constitute a material default (or an event which, with notice or lapse of time, or both, would constitute a material default) under, or result in the material breach of, any material contract, agreement or other instrument to which the Master Servicer is a party or which may be applicable to the Master Servicer or any of its assets;

(iii) This Agreement, assuming due authorization, execution and delivery by the Trustee and the Company, constitutes a valid, legal and binding obligation of the Master Servicer, enforceable against it in accordance with the terms hereof subject to applicable bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity, regardless of whether such enforcement is considered in a proceeding in equity or at law;

(iv) The Master Servicer is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or governmental agency, which default might have consequences that would materially and adversely affect the condition (financial or other) or operations of the Master Servicer or its properties or might have consequences that would materially adversely affect its performance hereunder;

(v) No litigation is pending or, to the best of the Master Servicer's knowledge, threatened against the Master Servicer which would prohibit its entering into this Agreement or performing its obligations under this Agreement;

(vi) The Master Servicer will comply in all material respects in the performance of this Agreement with all reasonable rules and requirements of each insurer under each Required Insurance Policy;

(vii) No information, certificate of an officer, statement furnished in writing or report delivered to the Company, any Affiliate of the Company or the Trustee by the Master Servicer will, to the knowledge of the Master Servicer, contain any untrue statement of a material fact or omit a material fact necessary to make the information, certificate, statement or report not misleading;

(viii) The Master Servicer has examined each existing, and will examine each new, Subservicing Agreement and is or will be familiar with the terms thereof. The terms of each existing Subservicing Agreement and each designated Subservicer are acceptable to the Master Servicer and any new Subservicing Agreements will comply with the provisions of Section 3.02; and

(ix) The Master Servicer is a member of MERS in good standing, and will comply in all material respects with the rules and procedures of MERS in connection with the servicing of the Mortgage Loans that are registered with MERS.

It is understood and agreed that the representations and warranties set forth in this Section 2.03(a) shall survive delivery of the respective Mortgage Files to the Trustee or any Custodian.

Upon discovery by either the Company, the Master Servicer, the Trustee or any Custodian of a breach of any representation or warranty set forth in this Section 2.03(a) which materially and adversely affects the interests of the Certificateholders in any Mortgage Loan, the party discovering such breach shall give prompt written notice to the other parties (any Custodian being so obligated under a Custodial Agreement). Within 90 days of its discovery or its receipt of notice of such breach, the Master Servicer shall either (i) cure such breach in all material respects or (ii) to the extent that such breach is with respect to a Mortgage Loan or a related document, purchase such Mortgage Loan from the Trust Fund at the Purchase Price and in the manner set forth in Section 2.02; provided that if the omission or defect would cause the Mortgage Loan to be other than a "qualified mortgage" as defined in Section 860G(a)(3) of the Code, any such cure or repurchase must occur within 90 days from the date such breach was discovered. The obligation of the Master Servicer to cure such breach or to so purchase such Mortgage Loan shall constitute the sole remedy in respect of a breach of a representation and warranty set forth in this Section 2.03(a) available to the Certificateholders or the Trustee on behalf of the Certificateholders.

(b) Representations and warranties relating to the Mortgage Loans are set forth in Section 2.03(b) of the Series Supplement.

Section 2.04. Representations and Warranties of Residential Funding.

The Company, as assignee of Residential Funding under the Assignment Agreement, hereby assigns to the Trustee for the benefit of Certificateholders all of its right, title and interest in respect of the Assignment Agreement applicable to a Mortgage Loan. Insofar as the Assignment Agreement relates to the representations and warranties made by Residential Funding in respect of such Mortgage Loan and any remedies provided thereunder for any breach of such representations and warranties, such right, title and interest may be enforced by the Master Servicer on behalf of the Trustee and the Certificateholders. Upon the discovery by the Company, the Master Servicer, the Trustee or any Custodian of a breach of any of the representations and warranties made in the Assignment Agreement (which, for purposes hereof, will be deemed to include any other cause giving rise to a repurchase obligation under the Assignment Agreement) in respect of any Mortgage Loan which materially and adversely affects the interests of the Certificateholders in such Mortgage Loan, the party discovering such breach shall give prompt written notice to the other parties (any Custodian being so obligated under a Custodial Agreement). The Master Servicer shall promptly notify Residential Funding of such breach and request that Residential Funding either (i) cure such breach in all material respects within 90 days from the date the Master Servicer was notified of such breach or (ii) purchase such Mortgage Loan from the Trust Fund at the Purchase Price and in the manner set forth in Section 2.02; provided that Residential Funding shall have the option to substitute a Qualified Substitute Mortgage Loan or Loans for such Mortgage Loan if such substitution occurs within two years following the Closing Date; provided that if the breach would cause the Mortgage Loan to be other than a "qualified mortgage" as defined in Section 860G(a)(3) of the Code, any such cure, repurchase or substitution must occur within 90 days from the date the breach was discovered. If a breach of the Compliance With Laws Representation has given rise to the obligation to repurchase or substitute a Mortgage Loan pursuant to Section 4 of the Assignment Agreement, then the Master Servicer shall request that Residential Funding pay to the Trust Fund, concurrently with and in addition to the remedies provided in the preceding sentence, an amount equal to any liability, penalty or expense that was actually incurred and paid out of or on behalf of the Trust Fund, and that directly resulted from such breach, or if incurred and paid by the Trust Fund thereafter, concurrently with such payment. In the event that Residential Funding elects to substitute a Qualified Substitute Mortgage Loan or Loans for a Deleted Mortgage Loan pursuant to this Section 2.04, Residential Funding shall deliver to the Trustee or the Custodian for the benefit of the Certificateholders with respect to such Qualified Substitute Mortgage Loan or Loans, the original Mortgage Note, the Mortgage, an Assignment of the Mortgage in recordable form, if required pursuant to Section 2.01, and such other documents and agreements as are required by Section 2.01, with the Mortgage Note endorsed as required by Section 2.01. No substitution will be made in any calendar month after the Determination Date for such month. Monthly Payments due with respect to Qualified Substitute Mortgage Loans in the month of substitution shall not be part of the Trust Fund and will be retained by the Master Servicer and remitted by the Master Servicer to Residential Funding on the next succeeding Distribution Date. For the month of substitution, distributions to the Certificateholders will include the Monthly Payment due on a Deleted Mortgage Loan for such month and thereafter Residential Funding shall be entitled to retain all amounts received in respect of such Deleted Mortgage Loan. The Master Servicer shall amend or cause to be amended the Mortgage Loan Schedule, and, if the Deleted Mortgage Loan was a Discount Mortgage Loan, the Schedule of Discount Fractions, for the benefit of the Certificateholders to reflect the removal of such Deleted Mortgage Loan and

the substitution of the Qualified Substitute Mortgage Loan or Loans and the Master Servicer shall deliver the amended Mortgage Loan Schedule, and, if the Deleted Mortgage Loan was a Discount Mortgage Loan, the amended Schedule of Discount Fractions, to the Trustee. Upon such substitution, the Qualified Substitute Mortgage Loan or Loans shall be subject to the terms of this Agreement and the related Subservicing Agreement in all respects, Residential Funding shall be deemed to have made the representations and warranties with respect to the Qualified Substitute Mortgage Loan contained in the related Assignment Agreement, and the Company and the Master Servicer shall be deemed to have made with respect to any Qualified Substitute Mortgage Loan or Loans, as of the date of substitution, the covenants, representations and warranties set forth in this Section 2.04, in Section 2.03 hereof and in Section 4 of the Assignment Agreement, and the Master Servicer shall be obligated to repurchase or substitute for any Qualified Substitute Mortgage Loan as to which a Repurchase Event (as defined in the Assignment Agreement) has occurred pursuant to Section 4 of the Assignment Agreement.

In connection with the substitution of one or more Qualified Substitute Mortgage Loans for one or more Deleted Mortgage Loans, the Master Servicer will determine the amount (if any) by which the aggregate principal balance of all such Qualified Substitute Mortgage Loans as of the date of substitution is less than the aggregate Stated Principal Balance of all such Deleted Mortgage Loans (in each case after application of the principal portion of the Monthly Payments due in the month of substitution that are to be distributed to the Certificateholders in the month of substitution). Residential Funding shall deposit the amount of such shortfall into the Custodial Account on the day of substitution, without any reimbursement therefor. Residential Funding shall give notice in writing to the Trustee of such event, which notice shall be accompanied by an Officers' Certificate as to the calculation of such shortfall and (subject to Section 10.01(f)) by an Opinion of Counsel to the effect that such substitution will not cause (a) any federal tax to be imposed on the Trust Fund, including without limitation, any federal tax imposed on "prohibited transactions" under Section 860F(a)(1) of the Code or on "contributions after the startup date" under Section 860G(d)(1) of the Code or (b) any portion of any REMIC to fail to qualify as such at any time that any Certificate is outstanding.

It is understood and agreed that the obligation of Residential Funding to cure such breach or purchase, or to substitute for, a Mortgage Loan as to which such a breach has occurred and is continuing and to make any additional payments required under the Assignment Agreement in connection with a breach of the Compliance With Laws Representation shall constitute the sole remedy respecting such breach available to the Certificateholders or the Trustee on behalf of Certificateholders. If the Master Servicer is Residential Funding, then the Trustee shall also have the right to give the notification and require the purchase or substitution provided for in the second preceding paragraph in the event of such a breach of a representation or warranty made by Residential Funding in the Assignment Agreement. In connection with the purchase of or substitution for any such Mortgage Loan by Residential Funding, the Trustee shall assign to Residential Funding all of the Trustee's right, title and interest in respect of the Assignment Agreement applicable to such Mortgage Loan.

As provided in Section 2.07 of the Series Supplement.

Section 2.08. Purposes and Powers of the Trust.

The purpose of the trust, as created hereunder, is to engage in the following activities:

- (a) to sell the Certificates to the Company in exchange for the Mortgage Loans;
- (b) to enter into and perform its obligations under this Agreement;
- (c) to engage in those activities that are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith; and
- (d) subject to compliance with this Agreement, to engage in such other activities as may be required in connection with conservation of the Trust Fund and the making of distributions to the Certificateholders.

The trust is hereby authorized to engage in the foregoing activities. Notwithstanding the provisions of Section 11.01, the trust shall not engage in any activity other than in connection with the foregoing or other than as required or authorized by the terms of this Agreement while any Certificate is outstanding, and this Section 2.08 may not be amended, without the consent of the Certificateholders evidencing a majority of the aggregate Voting Rights of the Certificates.

ARTICLE III

ADMINISTRATION AND SERVICING OF MORTGAGE LOANS

Section 3.01. Master Servicer to Act as Servicer.

- (a) The Master Servicer shall service and administer the Mortgage Loans in accordance with the terms of this Agreement and the respective Mortgage Loans and shall have full power and authority, acting alone or through Subservicers as provided in Section 3.02, to do any and all things which it may deem necessary or desirable in connection with such servicing and administration. Without limiting the generality of the foregoing, the Master Servicer in its own name or in the name of a Subservicer is hereby authorized and empowered by the Trustee when the Master Servicer or the Subservicer, as the case may be, believes it appropriate in its best judgment, to execute and deliver, on behalf of the Certificateholders and the Trustee or any of them, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge, or of consent to assumption or modification in connection with a proposed

conveyance, or of assignment of any Mortgage and Mortgage Note in connection with the repurchase of a Mortgage Loan and all other comparable instruments, or with respect to the modification or re-recording of a Mortgage for the purpose of correcting the Mortgage, the subordination of the lien of the Mortgage in favor of a public utility company or government agency or unit with powers of eminent domain, the taking of a deed in lieu of foreclosure, the commencement, prosecution or completion of judicial or non-judicial foreclosure, the conveyance of a Mortgaged Property to the related Insurer, the acquisition of any property acquired by foreclosure or deed in lieu of foreclosure, or the management, marketing and conveyance of any property acquired by foreclosure or deed in lieu of foreclosure with respect to the Mortgage Loans and with respect to the Mortgaged Properties. The Master Servicer further is authorized and empowered by the Trustee, on behalf of the Certificateholders and the Trustee, in its own name or in the name of the Subservicer, when the Master Servicer or the Subservicer, as the case may be, believes it appropriate in its best judgment to register any Mortgage Loan on the MERS® System, or cause the removal from the registration of any Mortgage Loan on the MERS® System, to execute and deliver, on behalf of the Trustee and the Certificateholders or any of them, any and all instruments of assignment and other comparable instruments with respect to such assignment or re-recording of a Mortgage in the name of MERS, solely as nominee for the Trustee and its successors and assigns. Any expenses incurred in connection with the actions described in the preceding sentence shall be borne by the Master Servicer in accordance with Section 3.16(c), with no right of reimbursement; provided, that if, as a result of MERS discontinuing or becoming unable to continue operations in connection with the MERS System, it becomes necessary to remove any Mortgage Loan from registration on the MERS System and to arrange for the assignment of the related Mortgages to the Trustee, then any related expenses shall be reimbursable to the Master Servicer. Notwithstanding the foregoing, subject to Section 3.07(a), the Master Servicer shall not permit any modification with respect to any Mortgage Loan that would both constitute a sale or exchange of such Mortgage Loan within the meaning of Section 1001 of the Code and any proposed, temporary or final regulations promulgated thereunder (other than in connection with a proposed conveyance or assumption of such Mortgage Loan that is treated as a Principal Prepayment in Full pursuant to Section 3.13(d) hereof) and cause any REMIC formed under the Series Supplement to fail to qualify as a REMIC under the Code. The Trustee shall furnish the Master Servicer with any powers of attorney and other documents necessary or appropriate to enable the Master Servicer to service and administer the Mortgage Loans. The Trustee shall not be liable for any action taken by the Master Servicer or any Subservicer pursuant to such powers of attorney. In servicing and administering any Nonsubserviced Mortgage Loan, the Master Servicer shall, to the extent not inconsistent with this Agreement, comply with the Program Guide as if it were the originator of such Mortgage Loan and had retained the servicing rights and obligations in respect thereof. In connection with servicing and administering the Mortgage Loans, the Master Servicer and any Affiliate of the Master Servicer (i) may perform services such as appraisals and brokerage services that are not customarily provided by servicers of mortgage loans, and shall be entitled to reasonable compensation therefor in accordance with Section 3.10 and (ii) may, at its own discretion and on behalf of the Trustee, obtain credit information in the form of a "credit score" from a credit repository.

(b) All costs incurred by the Master Servicer or by Subservicers in effecting the timely payment of taxes and assessments on the properties subject to the Mortgage Loans shall not, for the purpose of calculating monthly distributions to the Certificateholders, be added to the

amount owing under the related Mortgage Loans, notwithstanding that the terms of such Mortgage Loan so permit, and such costs shall be recoverable to the extent permitted by Section 3.10(a)(ii).

(c) The Master Servicer may enter into one or more agreements in connection with the offering of pass-through certificates evidencing interests in one or more of the Certificates providing for the payment by the Master Servicer of amounts received by the Master Servicer as servicing compensation hereunder and required to cover certain Prepayment Interest Shortfalls on the Mortgage Loans, which payment obligation will thereafter be an obligation of the Master Servicer hereunder.

Section 3.02. Subservicing Agreements Between Master Servicer and Subservicers;
Enforcement of Subservicers' and Sellers' Obligations.

(a) The Master Servicer may continue in effect Subservicing Agreements entered into by Residential Funding and Subservicers prior to the execution and delivery of this Agreement, and may enter into new Subservicing Agreements with Subservicers, for the servicing and administration of all or some of the Mortgage Loans. Each Subservicer of a Mortgage Loan shall be entitled to receive and retain, as provided in the related Subservicing Agreement and in Section 3.07, the related Subservicing Fee from payments of interest received on such Mortgage Loan after payment of all amounts required to be remitted to the Master Servicer in respect of such Mortgage Loan. For any Mortgage Loan that is a Nonsubserviced Mortgage Loan, the Master Servicer shall be entitled to receive and retain an amount equal to the Subservicing Fee from payments of interest. Unless the context otherwise requires, references in this Agreement to actions taken or to be taken by the Master Servicer in servicing the Mortgage Loans include actions taken or to be taken by a Subservicer on behalf of the Master Servicer. Each Subservicing Agreement will be upon such terms and conditions as are generally required or permitted by the Program Guide and are not inconsistent with this Agreement and as the Master Servicer and the Subservicer have agreed. A representative form of Subservicing Agreement is attached hereto as Exhibit E. With the approval of the Master Servicer, a Subservicer may delegate its servicing obligations to third-party servicers, but such Subservicer will remain obligated under the related Subservicing Agreement. The Master Servicer and a Subservicer may enter into amendments thereto or a different form of Subservicing Agreement, and the form referred to or included in the Program Guide is merely provided for information and shall not be deemed to limit in any respect the discretion of the Master Servicer to modify or enter into different Subservicing Agreements; provided, however, that any such amendments or different forms shall be consistent with and not violate the provisions of either this Agreement or the Program Guide in a manner which would materially and adversely affect the interests of the Certificateholders. The Program Guide and any other Subservicing Agreement entered into between the Master Servicer and any Subservicer shall require the Subservicer to accurately and fully report its borrower credit files to each of the Credit Repositories in a timely manner.

(b) As part of its servicing activities hereunder, the Master Servicer, for the benefit of the Trustee and the Certificateholders, shall use its best reasonable efforts to enforce the obligations of each Subservicer under the related Subservicing Agreement and of each Seller under the related Seller's Agreement insofar as the Company's rights with respect to Seller's obligation has been assigned to the Trustee hereunder, to the extent that the non-performance of

any such Seller's obligation would have a material and adverse effect on a Mortgage Loan, including, without limitation, the obligation to purchase a Mortgage Loan on account of defective documentation, as described in Section 2.02, or on account of a breach of a representation or warranty, as described in Section 2.04. Such enforcement, including, without limitation, the legal prosecution of claims, termination of Subservicing Agreements or Seller's Agreements, as appropriate, and the pursuit of other appropriate remedies, shall be in such form and carried out to such an extent and at such time as the Master Servicer would employ in its good faith business judgment and which are normal and usual in its general mortgage servicing activities. The Master Servicer shall pay the costs of such enforcement at its own expense, and shall be reimbursed therefor only (i) from a general recovery resulting from such enforcement to the extent, if any, that such recovery exceeds all amounts due in respect of the related Mortgage Loan or (ii) from a specific recovery of costs, expenses or attorneys fees against the party against whom such enforcement is directed. For purposes of clarification only, the parties agree that the foregoing is not intended to, and does not, limit the ability of the Master Servicer to be reimbursed for expenses that are incurred in connection with the enforcement of a Seller's obligations (insofar as the Company's rights with respect to such Seller's obligations have been assigned to the Trustee hereunder) and are reimbursable pursuant to Section 3.10(a)(viii).

Section 3.03. Successor Subservicers.

The Master Servicer shall be entitled to terminate any Subservicing Agreement that may exist in accordance with the terms and conditions of such Subservicing Agreement and without any limitation by virtue of this Agreement; provided, however, that in the event of termination of any Subservicing Agreement by the Master Servicer or the Subservicer, the Master Servicer shall either act as servicer of the related Mortgage Loan or enter into a Subservicing Agreement with a successor Subservicer which will be bound by the terms of the related Subservicing Agreement. If the Master Servicer or any Affiliate of Residential Funding acts as servicer, it will not assume liability for the representations and warranties of the Subservicer which it replaces. If the Master Servicer enters into a Subservicing Agreement with a successor Subservicer, the Master Servicer shall use reasonable efforts to have the successor Subservicer assume liability for the representations and warranties made by the terminated Subservicer in respect of the related Mortgage Loans and, in the event of any such assumption by the successor Subservicer, the Master Servicer may, in the exercise of its business judgment, release the terminated Subservicer from liability for such representations and warranties.

Section 3.04. Liability of the Master Servicer.

Notwithstanding any Subservicing Agreement, any of the provisions of this Agreement relating to agreements or arrangements between the Master Servicer or a Subservicer or reference to actions taken through a Subservicer or otherwise, the Master Servicer shall remain obligated and liable to the Trustee and the Certificateholders for the servicing and administering of the Mortgage Loans in accordance with the provisions of Section 3.01 without diminution of such obligation or liability by virtue of such Subservicing Agreements or arrangements or by virtue of indemnification from the Subservicer or the Company and to the same extent and under the same terms and conditions as if the Master Servicer alone were servicing and administering the Mortgage Loans. The Master Servicer shall be entitled to enter into any agreement with a

Subservicer or Seller for indemnification of the Master Servicer and nothing contained in this Agreement shall be deemed to limit or modify such indemnification.

Section 3.05. No Contractual Relationship Between Subservicer and Trustee or Certificateholders.

Any Subservicing Agreement that may be entered into and any other transactions or services relating to the Mortgage Loans involving a Subservicer in its capacity as such and not as an originator shall be deemed to be between the Subservicer and the Master Servicer alone and the Trustee and the Certificateholders shall not be deemed parties thereto and shall have no claims, rights, obligations, duties or liabilities with respect to the Subservicer in its capacity as such except as set forth in Section 3.06. The foregoing provision shall not in any way limit a Subservicer's obligation to cure an omission or defect or to repurchase a Mortgage Loan as referred to in Section 2.02 hereof.

Section 3.06. Assumption or Termination of Subservicing Agreements by Trustee.

(a) If the Master Servicer shall for any reason no longer be the master servicer (including by reason of an Event of Default), the Trustee, its designee or its successor shall thereupon assume all of the rights and obligations of the Master Servicer under each Subservicing Agreement that may have been entered into. The Trustee, its designee or the successor servicer for the Trustee shall be deemed to have assumed all of the Master Servicer's interest therein and to have replaced the Master Servicer as a party to the Subservicing Agreement to the same extent as if the Subservicing Agreement had been assigned to the assuming party except that the Master Servicer shall not thereby be relieved of any liability or obligations under the Subservicing Agreement.

(b) The Master Servicer shall, upon request of the Trustee but at the expense of the Master Servicer, deliver to the assuming party all documents and records relating to each Subservicing Agreement and the Mortgage Loans then being serviced and an accounting of amounts collected and held by it and otherwise use its best efforts to effect the orderly and efficient transfer of each Subservicing Agreement to the assuming party.

Section 3.07. Collection of Certain Mortgage Loan Payments; Deposits to Custodial Account.

(a) The Master Servicer shall make reasonable efforts to collect all payments called for under the terms and provisions of the Mortgage Loans, and shall, to the extent such procedures shall be consistent with this Agreement and the terms and provisions of any related Primary Insurance Policy, follow such collection procedures as it would employ in its good faith business judgment and which are normal and usual in its general mortgage servicing activities. Consistent with the foregoing, the Master Servicer may in its discretion (i) waive any late payment charge or any prepayment charge or penalty interest in connection with the prepayment of a Mortgage Loan and (ii) extend the Due Date for payments due on a Mortgage Loan in accordance with the Program Guide; provided, however, that the Master Servicer shall first determine that any such waiver or extension will not impair the coverage of any related Primary Insurance Policy or materially adversely affect the lien of the related Mortgage. Notwithstanding

anything in this Section to the contrary, the Master Servicer shall not enforce any prepayment charge to the extent that such enforcement would violate any applicable law. In the event of any such arrangement, the Master Servicer shall make timely advances on the related Mortgage Loan during the scheduled period in accordance with the amortization schedule of such Mortgage Loan without modification thereof by reason of such arrangements unless otherwise agreed to by the Holders of the Classes of Certificates affected thereby; provided, however, that no such extension shall be made if any such advance would be a Nonrecoverable Advance. Consistent with the terms of this Agreement, the Master Servicer may also waive, modify or vary any term of any Mortgage Loan or consent to the postponement of strict compliance with any such term or in any manner grant indulgence to any Mortgagor if in the Master Servicer's determination such waiver, modification, postponement or indulgence is not materially adverse to the interests of the Certificateholders (taking into account any estimated Realized Loss that might result absent such action); provided, however, that the Master Servicer may not modify materially or permit any Subservicer to modify any Mortgage Loan, including without limitation any modification that would change the Mortgage Rate, forgive the payment of any principal or interest (unless in connection with the liquidation of the related Mortgage Loan or except in connection with prepayments to the extent that such reamortization is not inconsistent with the terms of the Mortgage Loan), capitalize any amounts owing on the Mortgage Loan by adding such amount to the outstanding principal balance of the Mortgage Loan, or extend the final maturity date of such Mortgage Loan, unless such Mortgage Loan is in default or, in the judgment of the Master Servicer, such default is reasonably foreseeable; provided, further, that (1) no such modification shall reduce the interest rate on a Mortgage Loan below one-half of the Mortgage Rate as in effect on the Cut-off Date, but not less than the sum of the rates at which the Servicing Fee and the Subservicing Fee with respect to such Mortgage Loan accrues plus the rate at which the premium paid to the Certificate Insurer, if any, accrues, (2) the final maturity date for any Mortgage Loan shall not be extended beyond the Maturity Date, (3) the Stated Principal Balance of all Reportable Modified Mortgage Loans subject to Servicing Modifications (measured at the time of the Servicing Modification and after giving effect to any Servicing Modification) can be no more than five percent of the aggregate principal balance of the Mortgage Loans as of the Cut-off Date, unless such limit is increased from time to time with the consent of the Rating Agencies and the Certificate Insurer, if any. In addition, any amounts owing on a Mortgage Loan added to the outstanding principal balance of such Mortgage Loan must be fully amortized over the remaining term of such Mortgage Loan, and such amounts may be added to the outstanding principal balance of a Mortgage Loan only once during the life of such Mortgage Loan. Also, the addition of such amounts described in the preceding sentence shall be implemented in accordance with the Program Guide and may be implemented only by Subservicers that have been approved by the Master Servicer for such purpose. In connection with any Curtailment of a Mortgage Loan, the Master Servicer, to the extent not inconsistent with the terms of the Mortgage Note and local law and practice, may permit the Mortgage Loan to be reamortized such that the Monthly Payment is recalculated as an amount that will fully amortize the remaining Stated Principal Balance thereof by the original Maturity Date based on the original Mortgage Rate; provided, that such re-amortization shall not be permitted if it would constitute a reissuance of the Mortgage Loan for federal income tax purposes, except if such reissuance is described in Treasury Regulation Section 1.860G-2(b)(3).

(b) The Master Servicer shall establish and maintain a Custodial Account in which the Master Servicer shall deposit or cause to be deposited on a daily basis, except as otherwise

specifically provided herein, the following payments and collections remitted by Subservicers or received by it in respect of the Mortgage Loans subsequent to the Cut-off Date (other than in respect of principal and interest on the Mortgage Loans due on or before the Cut-off Date):

- (i) All payments on account of principal, including Principal Prepayments made by Mortgagors on the Mortgage Loans and the principal component of any Subservicer Advance or of any REO Proceeds received in connection with an REO Property for which an REO Disposition has occurred;
- (ii) All payments on account of interest at the Adjusted Mortgage Rate on the Mortgage Loans, including Buydown Funds, if any, and the interest component of any Subservicer Advance or of any REO Proceeds received in connection with an REO Property for which an REO Disposition has occurred;
- (iii) Insurance Proceeds, Subsequent Recoveries and Liquidation Proceeds (net of any related expenses of the Subservicer);
- (iv) All proceeds of any Mortgage Loans purchased pursuant to Section 2.02, 2.03, 2.04 or 4.07 (including amounts received from Residential Funding pursuant to the last paragraph of Section 4 of the Assignment Agreement in respect of any liability, penalty or expense that resulted from a breach of the Compliance With Laws Representation and all amounts required to be deposited in connection with the substitution of a Qualified Substitute Mortgage Loan pursuant to Section 2.03 or 2.04;
- (v) Any amounts required to be deposited pursuant to Section 3.07(c) or 3.21;
- (vi) All amounts transferred from the Certificate Account to the Custodial Account in accordance with Section 4.02(a);
- (vii) Any amounts realized by the Subservicer and received by the Master Servicer in respect of any Additional Collateral; and
- (viii) Any amounts received by the Master Servicer in respect of Pledged Assets.

The foregoing requirements for deposit in the Custodial Account shall be exclusive, it being understood and agreed that, without limiting the generality of the foregoing, payments on the Mortgage Loans which are not part of the Trust Fund (consisting of payments in respect of principal and interest on the Mortgage Loans due on or before the Cut-off Date) and payments or collections in the nature of prepayment charges or late payment charges or assumption fees may but need not be deposited by the Master Servicer in the Custodial Account. In the event any amount not required to be deposited in the Custodial Account is so deposited, the Master Servicer may at any time withdraw such amount from the Custodial Account, any provision herein to the contrary notwithstanding. The Custodial Account may contain funds that belong to one or more trust funds created for mortgage pass-through certificates of other series and may contain other funds respecting payments on mortgage loans belonging to the Master Servicer or serviced or master serviced by it on behalf of others. Notwithstanding such commingling of

funds, the Master Servicer shall keep records that accurately reflect the funds on deposit in the Custodial Account that have been identified by it as being attributable to the Mortgage Loans.

With respect to Insurance Proceeds, Liquidation Proceeds, REO Proceeds and the proceeds of the purchase of any Mortgage Loan pursuant to Sections 2.02, 2.03, 2.04 and 4.07 received in any calendar month, the Master Servicer may elect to treat such amounts as included in the Available Distribution Amount for the Distribution Date in the month of receipt, but is not obligated to do so. If the Master Servicer so elects, such amounts will be deemed to have been received (and any related Realized Loss shall be deemed to have occurred) on the last day of the month prior to the receipt thereof.

(c) The Master Servicer shall use its best efforts to cause the institution maintaining the Custodial Account to invest the funds in the Custodial Account attributable to the Mortgage Loans in Permitted Investments which shall mature not later than the Certificate Account Deposit Date next following the date of such investment (with the exception of the Amount Held for Future Distribution) and which shall not be sold or disposed of prior to their maturities. All income and gain realized from any such investment shall be for the benefit of the Master Servicer as additional servicing compensation and shall be subject to its withdrawal or order from time to time. The amount of any losses incurred in respect of any such investments attributable to the investment of amounts in respect of the Mortgage Loans shall be deposited in the Custodial Account by the Master Servicer out of its own funds immediately as realized without any right of reimbursement.

(d) The Master Servicer shall give notice to the Trustee and the Company of any change in the location of the Custodial Account and the location of the Certificate Account prior to the use thereof.

Section 3.08. Subservicing Accounts; Servicing Accounts.

(a) In those cases where a Subservicer is servicing a Mortgage Loan pursuant to a Subservicing Agreement, the Master Servicer shall cause the Subservicer, pursuant to the Subservicing Agreement, to establish and maintain one or more Subservicing Accounts which shall be an Eligible Account or, if such account is not an Eligible Account, shall generally satisfy the requirements of the Program Guide and be otherwise acceptable to the Master Servicer and each Rating Agency. The Subservicer will be required thereby to deposit into the Subservicing Account on a daily basis all proceeds of Mortgage Loans received by the Subservicer, less its Subservicing Fees and unreimbursed advances and expenses, to the extent permitted by the Subservicing Agreement. If the Subservicing Account is not an Eligible Account, the Master Servicer shall be deemed to have received such monies upon receipt thereof by the Subservicer. The Subservicer shall not be required to deposit in the Subservicing Account payments or collections in the nature of prepayment charges or late charges or assumption fees. On or before the date specified in the Program Guide, but in no event later than the Determination Date, the Master Servicer shall cause the Subservicer, pursuant to the Subservicing Agreement, to remit to the Master Servicer for deposit in the Custodial Account all funds held in the Subservicing Account with respect to each Mortgage Loan serviced by such Subservicer that are required to be remitted to the Master Servicer. The Subservicer will also be required, pursuant to the Subservicing Agreement, to advance on such scheduled date of remittance amounts equal to any

scheduled monthly installments of principal and interest less its Subservicing Fees on any Mortgage Loans for which payment was not received by the Subservicer. This obligation to advance with respect to each Mortgage Loan will continue up to and including the first of the month following the date on which the related Mortgaged Property is sold at a foreclosure sale or is acquired by the Trust Fund by deed in lieu of foreclosure or otherwise. All such advances received by the Master Servicer shall be deposited promptly by it in the Custodial Account.

(b) The Subservicer may also be required, pursuant to the Subservicing Agreement, to remit to the Master Servicer for deposit in the Custodial Account interest at the Adjusted Mortgage Rate (or Modified Net Mortgage Rate plus the rate per annum at which the Servicing Fee accrues in the case of a Modified Mortgage Loan) on any Curtailment received by such Subservicer in respect of a Mortgage Loan from the related Mortgagor during any month that is to be applied by the Subservicer to reduce the unpaid principal balance of the related Mortgage Loan as of the first day of such month, from the date of application of such Curtailment to the first day of the following month. Any amounts paid by a Subservicer pursuant to the preceding sentence shall be for the benefit of the Master Servicer as additional servicing compensation and shall be subject to its withdrawal or order from time to time pursuant to Sections 3.10(a)(iv) and (v).

(c) In addition to the Custodial Account and the Certificate Account, the Master Servicer shall for any Nonsubserviced Mortgage Loan, and shall cause the Subservicers for Subserviced Mortgage Loans to, establish and maintain one or more Servicing Accounts and deposit and retain therein all collections from the Mortgagors (or advances from Subservicers) for the payment of taxes, assessments, hazard insurance premiums, Primary Insurance Policy premiums, if applicable, or comparable items for the account of the Mortgagors. Each Servicing Account shall satisfy the requirements for a Subservicing Account and, to the extent permitted by the Program Guide or as is otherwise acceptable to the Master Servicer, may also function as a Subservicing Account. Withdrawals of amounts related to the Mortgage Loans from the Servicing Accounts may be made only to effect timely payment of taxes, assessments, hazard insurance premiums, Primary Insurance Policy premiums, if applicable, or comparable items, to reimburse the Master Servicer or Subservicer out of related collections for any payments made pursuant to Sections 3.11 (with respect to the Primary Insurance Policy) and 3.12(a) (with respect to hazard insurance), to refund to any Mortgagors any sums as may be determined to be overages, to pay interest, if required, to Mortgagors on balances in the Servicing Account or to clear and terminate the Servicing Account at the termination of this Agreement in accordance with Section 9.01 or in accordance with the Program Guide. As part of its servicing duties, the Master Servicer shall, and the Subservicers will, pursuant to the Subservicing Agreements, be required to pay to the Mortgagors interest on funds in this account to the extent required by law.

(d) The Master Servicer shall advance the payments referred to in the preceding subsection that are not timely paid by the Mortgagors or advanced by the Subservicers on the date when the tax, premium or other cost for which such payment is intended is due, but the Master Servicer shall be required so to advance only to the extent that such advances, in the good faith judgment of the Master Servicer, will be recoverable by the Master Servicer out of Insurance Proceeds, Liquidation Proceeds or otherwise.

Section 3.09. Access to Certain Documentation and
Information Regarding the Mortgage Loans.

If compliance with this Section 3.09 shall make any Class of Certificates legal for investment by federally insured savings and loan associations, the Master Servicer shall provide, or cause the Subservicers to provide, to the Trustee, the Office of Thrift Supervision or the FDIC and the supervisory agents and examiners thereof access to the documentation regarding the Mortgage Loans required by applicable regulations of the Office of Thrift Supervision, such access being afforded without charge but only upon reasonable request and during normal business hours at the offices designated by the Master Servicer. The Master Servicer shall permit such representatives to photocopy any such documentation and shall provide equipment for that purpose at a charge reasonably approximating the cost of such photocopying to the Master Servicer.

Section 3.10. Permitted Withdrawals from the Custodial Account.

(a) The Master Servicer may, from time to time as provided herein, make withdrawals from the Custodial Account of amounts on deposit therein pursuant to Section 3.07 that are attributable to the Mortgage Loans for the following purposes:

(i) to make deposits into the Certificate Account in the amounts and in the manner provided for in Section 4.01;

(ii) to reimburse itself or the related Subservicer for previously unreimbursed Advances, Servicing Advances or other expenses made pursuant to Sections 3.01, 3.07(a), 3.08, 3.11, 3.12(a), 3.14 and 4.04 or otherwise reimbursable pursuant to the terms of this Agreement, such withdrawal right being limited to amounts received on the related Mortgage Loans (including, for this purpose, REO Proceeds, Insurance Proceeds, Liquidation Proceeds and proceeds from the purchase of a Mortgage Loan pursuant to Section 2.02, 2.03, 2.04 or 4.07) which represent (A) Late Collections of Monthly Payments for which any such advance was made in the case of Subservicer Advances or Advances pursuant to Section 4.04 and (B) recoveries of amounts in respect of which such advances were made in the case of Servicing Advances;

(iii) to pay to itself or the related Subservicer (if not previously retained by such Subservicer) out of each payment received by the Master Servicer on account of interest on a Mortgage Loan as contemplated by Sections 3.14 and 3.16, an amount equal to that remaining portion of any such payment as to interest (but not in excess of the Servicing Fee and the Subservicing Fee, if not previously retained) which, when deducted, will result in the remaining amount of such interest being interest at the Net Mortgage Rate (or Modified Net Mortgage Rate in the case of a Modified Mortgage Loan) on the amount specified in the amortization schedule of the related Mortgage Loan as the principal balance thereof at the beginning of the period respecting which such interest was paid after giving effect to any previous Curtailments;

(iv) to pay to itself as additional servicing compensation any interest or investment income earned on funds and other property deposited in or credited to the Custodial Account that it is entitled to withdraw pursuant to Section 3.07(c);

(v) to pay to itself as additional servicing compensation any Foreclosure Profits, any amounts remitted by Subservicers as interest in respect of Curtailments pursuant to Section 3.08(b), and any amounts paid by a Mortgagor in connection with a Principal Prepayment in Full in respect of interest for any period during the calendar month in which such Principal Prepayment in Full is to be distributed to the Certificateholders;

(vi) to pay to itself, a Subservicer, a Seller, Residential Funding, the Company or any other appropriate Person, as the case may be, with respect to each Mortgage Loan or property acquired in respect thereof that has been purchased or otherwise transferred pursuant to Section 2.02, 2.03, 2.04, 4.07 or 9.01, all amounts received thereon and not required to be distributed to the Certificateholders as of the date on which the related Stated Principal Balance or Purchase Price is determined;

(vii) to reimburse itself or the related Subservicer for any Nonrecoverable Advance or Advances in the manner and to the extent provided in subsection (c) below, and any Advance or Servicing Advance made in connection with a modified Mortgage Loan that is in default or, in the judgment of the Master Servicer, default is reasonably foreseeable pursuant to Section 3.07(a), to the extent the amount of the Advance or Servicing Advance was added to the Stated Principal Balance of the Mortgage Loan in a prior calendar month, or any Advance reimbursable to the Master Servicer pursuant to Section 4.02(a);

(viii) to reimburse itself or the Company for expenses incurred by and reimbursable to it or the Company pursuant to Sections 3.01(a), 3.11, 3.13, 3.14(c), 6.03, 10.01 or otherwise, or in connection with enforcing, in accordance with this Agreement, any repurchase, substitution or indemnification obligation of any Seller (other than an Affiliate of the Company) pursuant to the related Seller's Agreement;

(ix) to reimburse itself for Servicing Advances expended by it (a) pursuant to Section 3.14 in good faith in connection with the restoration of property damaged by an Uninsured Cause, and (b) in connection with the liquidation of a Mortgage Loan or disposition of an REO Property to the extent not otherwise reimbursed pursuant to clause (ii) or (viii) above; and

(x) to withdraw any amount deposited in the Custodial Account that was not required to be deposited therein pursuant to Section 3.07.

(b) Since, in connection with withdrawals pursuant to clauses (ii), (iii), (v) and (vi), the Master Servicer's entitlement thereto is limited to collections or other recoveries on the related Mortgage Loan, the Master Servicer shall keep and maintain separate accounting, on a Mortgage Loan by Mortgage Loan basis, for the purpose of justifying any withdrawal from the Custodial Account pursuant to such clauses.

(c) The Master Servicer shall be entitled to reimburse itself or the related Subservicer for any advance made in respect of a Mortgage Loan that the Master Servicer determines to be a Nonrecoverable Advance by withdrawal from the Custodial Account of amounts on deposit therein attributable to the Mortgage Loans on any Certificate Account Deposit Date succeeding the date of such determination. Such right of reimbursement in respect of a Nonrecoverable Advance relating to an Advance pursuant to Section 4.04 on any such Certificate Account Deposit Date shall be limited to an amount not exceeding the portion of such Advance previously paid to Certificateholders (and not theretofore reimbursed to the Master Servicer or the related Subservicer).

Section 3.11. Maintenance of the Primary Insurance
Policies; Collections Thereunder.

(a) The Master Servicer shall not take, or permit any Subservicer to take, any action which would result in non-coverage under any applicable Primary Insurance Policy of any loss which, but for the actions of the Master Servicer or Subservicer, would have been covered thereunder. To the extent coverage is available, the Master Servicer shall keep or cause to be kept in full force and effect each such Primary Insurance Policy until the principal balance of the related Mortgage Loan secured by a Mortgaged Property is reduced to 80% or less of the Appraised Value in the case of such a Mortgage Loan having a Loan-to-Value Ratio at origination in excess of 80%, provided that such Primary Insurance Policy was in place as of the Cut-off Date and the Company had knowledge of such Primary Insurance Policy. The Master Servicer shall be entitled to cancel or permit the discontinuation of any Primary Insurance Policy as to any Mortgage Loan, if the Stated Principal Balance of the Mortgage Loan is reduced below an amount equal to 80% of the appraised value of the related Mortgaged Property as determined in any appraisal thereof after the Closing Date, or if the Loan-to-Value Ratio is reduced below 80% as a result of principal payments on the Mortgage Loan after the Closing Date. In the event that the Company gains knowledge that as of the Closing Date, a Mortgage Loan had a Loan-to-Value Ratio at origination in excess of 80% and is not the subject of a Primary Insurance Policy (and was not included in any exception to the representation in Section 2.03(b)(iv)) and that such Mortgage Loan has a current Loan-to-Value Ratio in excess of 80% then the Master Servicer shall use its reasonable efforts to obtain and maintain a Primary Insurance Policy to the extent that such a policy is obtainable at a reasonable price. The Master Servicer shall not cancel or refuse to renew any such Primary Insurance Policy applicable to a Nonsubserviced Mortgage Loan, or consent to any Subservicer canceling or refusing to renew any such Primary Insurance Policy applicable to a Mortgage Loan subserviced by it, that is in effect at the date of the initial issuance of the Certificates and is required to be kept in force hereunder unless the replacement Primary Insurance Policy for such canceled or non-renewed policy is maintained with an insurer whose claims-paying ability is acceptable to each Rating Agency for mortgage pass-through certificates having a rating equal to or better than the lower of the then-current rating or the rating assigned to the Certificates as of the Closing Date by such Rating Agency.

(b) In connection with its activities as administrator and servicer of the Mortgage Loans, the Master Servicer agrees to present or to cause the related Subservicer to present, on behalf of the Master Servicer, the Subservicer, if any, the Trustee and Certificateholders, claims to the related Insurer under any Primary Insurance Policies, in a timely manner in accordance with such policies, and, in this regard, to take or cause to be taken such reasonable action as shall

be necessary to permit recovery under any Primary Insurance Policies respecting defaulted Mortgage Loans. Pursuant to Section 3.07, any Insurance Proceeds collected by or remitted to the Master Servicer under any Primary Insurance Policies shall be deposited in the Custodial Account, subject to withdrawal pursuant to Section 3.10.

Section 3.12. Maintenance of Fire Insurance and
Omissions and Fidelity Coverage.

(a) The Master Servicer shall cause to be maintained for each Mortgage Loan (other than a Cooperative Loan) fire insurance with extended coverage in an amount which is equal to the lesser of the principal balance owing on such Mortgage Loan or 100 percent of the insurable value of the improvements; provided, however, that such coverage may not be less than the minimum amount required to fully compensate for any loss or damage on a replacement cost basis. To the extent it may do so without breaching the related Subservicing Agreement, the Master Servicer shall replace any Subservicer that does not cause such insurance, to the extent it is available, to be maintained. The Master Servicer shall also cause to be maintained on property acquired upon foreclosure, or deed in lieu of foreclosure, of any Mortgage Loan (other than a Cooperative Loan), fire insurance with extended coverage in an amount which is at least equal to the amount necessary to avoid the application of any co-insurance clause contained in the related hazard insurance policy. Pursuant to Section 3.07, any amounts collected by the Master Servicer under any such policies (other than amounts to be applied to the restoration or repair of the related Mortgaged Property or property thus acquired or amounts released to the Mortgagor in accordance with the Master Servicer's normal servicing procedures) shall be deposited in the Custodial Account, subject to withdrawal pursuant to Section 3.10. Any cost incurred by the Master Servicer in maintaining any such insurance shall not, for the purpose of calculating monthly distributions to the Certificateholders, be added to the amount owing under the Mortgage Loan, notwithstanding that the terms of the Mortgage Loan so permit. Such costs shall be recoverable by the Master Servicer out of related late payments by the Mortgagor or out of Insurance Proceeds and Liquidation Proceeds to the extent permitted by Section 3.10. It is understood and agreed that no earthquake or other additional insurance is to be required of any Mortgagor or maintained on property acquired in respect of a Mortgage Loan other than pursuant to such applicable laws and regulations as shall at any time be in force and as shall require such additional insurance. Whenever the improvements securing a Mortgage Loan (other than a Cooperative Loan) are located at the time of origination of such Mortgage Loan in a federally designated special flood hazard area, the Master Servicer shall cause flood insurance (to the extent available) to be maintained in respect thereof. Such flood insurance shall be in an amount equal to the lesser of (i) the amount required to compensate for any loss or damage to the Mortgaged Property on a replacement cost basis and (ii) the maximum amount of such insurance available for the related Mortgaged Property under the national flood insurance program (assuming that the area in which such Mortgaged Property is located is participating in such program).

If the Master Servicer shall obtain and maintain a blanket fire insurance policy with extended coverage insuring against hazard losses on all of the Mortgage Loans, it shall conclusively be deemed to have satisfied its obligations as set forth in the first sentence of this Section 3.12(a), it being understood and agreed that such policy may contain a deductible clause, in which case the Master Servicer shall, in the event that there shall not have been maintained on

the related Mortgaged Property a policy complying with the first sentence of this Section 3.12(a) and there shall have been a loss which would have been covered by such policy, deposit in the Certificate Account the amount not otherwise payable under the blanket policy because of such deductible clause. Any such deposit by the Master Servicer shall be made on the Certificate Account Deposit Date next preceding the Distribution Date which occurs in the month following the month in which payments under any such policy would have been deposited in the Custodial Account. In connection with its activities as administrator and servicer of the Mortgage Loans, the Master Servicer agrees to present, on behalf of itself, the Trustee and the Certificateholders, claims under any such blanket policy.

(b) The Master Servicer shall obtain and maintain at its own expense and keep in full force and effect throughout the term of this Agreement a blanket fidelity bond and an errors and omissions insurance policy covering the Master Servicer's officers and employees and other persons acting on behalf of the Master Servicer in connection with its activities under this Agreement. The amount of coverage shall be at least equal to the coverage that would be required by Fannie Mae or Freddie Mac, whichever is greater, with respect to the Master Servicer if the Master Servicer were servicing and administering the Mortgage Loans for Fannie Mae or Freddie Mac. In the event that any such bond or policy ceases to be in effect, the Master Servicer shall obtain a comparable replacement bond or policy from an issuer or insurer, as the case may be, meeting the requirements, if any, of the Program Guide and acceptable to the Company. Coverage of the Master Servicer under a policy or bond obtained by an Affiliate of the Master Servicer and providing the coverage required by this Section 3.12(b) shall satisfy the requirements of this Section 3.12(b).

Section 3.13. Enforcement of Due-on-Sale Clauses; Assumption and Modification Agreements; Certain Assignments.

(a) When any Mortgaged Property is conveyed by the Mortgagor, the Master Servicer or Subservicer, to the extent it has knowledge of such conveyance, shall enforce any due-on-sale clause contained in any Mortgage Note or Mortgage, to the extent permitted under applicable law and governmental regulations, but only to the extent that such enforcement will not adversely affect or jeopardize coverage under any Required Insurance Policy. Notwithstanding the foregoing:

(i) the Master Servicer shall not be deemed to be in default under this Section 3.13(a) by reason of any transfer or assumption which the Master Servicer is restricted by law from preventing; and

(ii) if the Master Servicer determines that it is reasonably likely that any Mortgagor will bring, or if any Mortgagor does bring, legal action to declare invalid or otherwise avoid enforcement of a due-on-sale clause contained in any Mortgage Note or Mortgage, the Master Servicer shall not be required to enforce the due-on-sale clause or to contest such action.

(b) Subject to the Master Servicer's duty to enforce any due-on-sale clause to the extent set forth in Section 3.13(a), in any case in which a Mortgaged Property is to be conveyed to a Person by a Mortgagor, and such Person is to enter into an assumption or modification

agreement or supplement to the Mortgage Note or Mortgage which requires the signature of the Trustee, or if an instrument of release signed by the Trustee is required releasing the Mortgagor from liability on the Mortgage Loan, the Master Servicer is authorized, subject to the requirements of the sentence next following, to execute and deliver, on behalf of the Trustee, the assumption agreement with the Person to whom the Mortgaged Property is to be conveyed and such modification agreement or supplement to the Mortgage Note or Mortgage or other instruments as are reasonable or necessary to carry out the terms of the Mortgage Note or Mortgage or otherwise to comply with any applicable laws regarding assumptions or the transfer of the Mortgaged Property to such Person; provided, however, none of such terms and requirements shall either (i) both (A) constitute a "significant modification" effecting an exchange or reissuance of such Mortgage Loan under the REMIC Provisions and (B) cause any portion of any REMIC formed under the Series Supplement to fail to qualify as a REMIC under the Code or (subject to Section 10.01(f)), result in the imposition of any tax on "prohibited transactions" or (ii) constitute "contributions" after the start-up date under the REMIC Provisions. The Master Servicer shall execute and deliver such documents only if it reasonably determines that (i) its execution and delivery thereof will not conflict with or violate any terms of this Agreement or cause the unpaid balance and interest on the Mortgage Loan to be uncollectible in whole or in part, (ii) any required consents of insurers under any Required Insurance Policies have been obtained and (iii) subsequent to the closing of the transaction involving the assumption or transfer (A) the Mortgage Loan will continue to be secured by a first mortgage lien pursuant to the terms of the Mortgage, (B) such transaction will not adversely affect the coverage under any Required Insurance Policies, (C) the Mortgage Loan will fully amortize over the remaining term thereof, (D) no material term of the Mortgage Loan (including the interest rate on the Mortgage Loan) will be altered nor will the term of the Mortgage Loan be changed and (E) if the seller/transferor of the Mortgaged Property is to be released from liability on the Mortgage Loan, such release will not (based on the Master Servicer's or Subservicer's good faith determination) adversely affect the collectability of the Mortgage Loan. Upon receipt of appropriate instructions from the Master Servicer in accordance with the foregoing, the Trustee shall execute any necessary instruments for such assumption or substitution of liability as directed in writing by the Master Servicer. Upon the closing of the transactions contemplated by such documents, the Master Servicer shall cause the originals or true and correct copies of the assumption agreement, the release (if any), or the modification or supplement to the Mortgage Note or Mortgage to be delivered to the Trustee or the Custodian and deposited with the Mortgage File for such Mortgage Loan. Any fee collected by the Master Servicer or such related Subservicer for entering into an assumption or substitution of liability agreement will be retained by the Master Servicer or such Subservicer as additional servicing compensation.

(c) The Master Servicer or the related Subservicer, as the case may be, shall be entitled to approve a request from a Mortgagor for a partial release of the related Mortgaged Property, the granting of an easement thereon in favor of another Person, any alteration or demolition of the related Mortgaged Property (or, with respect to a Cooperative Loan, the related Cooperative Apartment) without any right of reimbursement or other similar matters if it has determined, exercising its good faith business judgment in the same manner as it would if it were the owner of the related Mortgage Loan, that the security for, and the timely and full collectability of, such Mortgage Loan would not be adversely affected thereby and that any portion of any REMIC formed under the Series Supplement would not fail to continue to qualify as a REMIC under the Code as a result thereof and (subject to Section 10.01(f)) that no tax on

“prohibited transactions” or “contributions” after the startup day would be imposed on any such REMIC as a result thereof. Any fee collected by the Master Servicer or the related Subservicer for processing such a request will be retained by the Master Servicer or such Subservicer as additional servicing compensation.

(d) Subject to any other applicable terms and conditions of this Agreement, the Trustee and Master Servicer shall be entitled to approve an assignment in lieu of satisfaction with respect to any Mortgage Loan, provided the obligee with respect to such Mortgage Loan following such proposed assignment provides the Trustee and Master Servicer with a “Lender Certification for Assignment of Mortgage Loan” in the form attached hereto as Exhibit M, in form and substance satisfactory to the Trustee and Master Servicer, providing the following: (i) that the substance of the assignment is, and is intended to be, a refinancing of such Mortgage; (ii) that the Mortgage Loan following the proposed assignment will have a rate of interest at least 0.25 percent below or above the rate of interest on such Mortgage Loan prior to such proposed assignment; and (iii) that such assignment is at the request of the borrower under the related Mortgage Loan. Upon approval of an assignment in lieu of satisfaction with respect to any Mortgage Loan, the Master Servicer shall receive cash in an amount equal to the unpaid principal balance of and accrued interest on such Mortgage Loan and the Master Servicer shall treat such amount as a Principal Prepayment in Full with respect to such Mortgage Loan for all purposes hereof.

Section 3.14. Realization Upon Defaulted Mortgage Loans.

(a) The Master Servicer shall foreclose upon or otherwise comparably convert (which may include an REO Acquisition) the ownership of properties securing such of the Mortgage Loans as come into and continue in default and as to which no satisfactory arrangements can be made for collection of delinquent payments pursuant to Section 3.07. Alternatively, the Master Servicer may take other actions in respect of a defaulted Mortgage Loan, which may include (i) accepting a short sale (a payoff of the Mortgage Loan for an amount less than the total amount contractually owed in order to facilitate a sale of the Mortgaged Property by the Mortgagor) or permitting a short refinancing (a payoff of the Mortgage Loan for an amount less than the total amount contractually owed in order to facilitate refinancing transactions by the Mortgagor not involving a sale of the Mortgaged Property), (ii) arranging for a repayment plan or (iii) agreeing to a modification in accordance with Section 3.07. In connection with such foreclosure or other conversion, the Master Servicer shall, consistent with Section 3.11, follow such practices and procedures as it shall deem necessary or advisable, as shall be normal and usual in its general mortgage servicing activities and as shall be required or permitted by the Program Guide; provided that the Master Servicer shall not be liable in any respect hereunder if the Master Servicer is acting in connection with any such foreclosure or other conversion in a manner that is consistent with the provisions of this Agreement. The Master Servicer, however, shall not be required to expend its own funds or incur other reimbursable charges in connection with any foreclosure, or attempted foreclosure which is not completed, or towards the restoration of any property unless it shall determine (i) that such restoration and/or foreclosure will increase the proceeds of liquidation of the Mortgage Loan to Holders of Certificates of one or more Classes after reimbursement to itself for such expenses or charges and (ii) that such expenses or charges will be recoverable to it through Liquidation Proceeds, Insurance Proceeds, or REO Proceeds (respecting which it shall have priority for purposes of withdrawals from the Custodial Account
